Pro Statement: Osborn School District Bond

As a long-serving former Superintendent of the Osborn School District and current President of the Osborn School District Educational Foundation (OSDEF), I continue to invest my time and energy to support Osborn families, staff and students. On behalf of my fellow OSDEF board members, I urge you to vote YES in favor of the Osborn District Bond in November. Funds are vital for necessary repairs, renovation and replacement to help assure that existing buildings and grounds and possible new construction are developed and maintained at the high standard for which the district is known.

Your YES vote on November 7 will approve a \$100 million bond program to fund projects such as Technology and Equipment Upgrades, Facilities and Grounds Improvement and Repairs, Classroom Modernization, Energy Efficient (EV) School Buses and more. These vital additions and improvements will cost the average homeowner approximately \$14 per month.

With the full support of my fellow dedicated OSDEF board members, I urge you to vote YES on November 7 to support the District Bond Issue. Thank you for your ongoing support!
