

PRO STATEMENT
Osborn Elementary School District – Bond Election

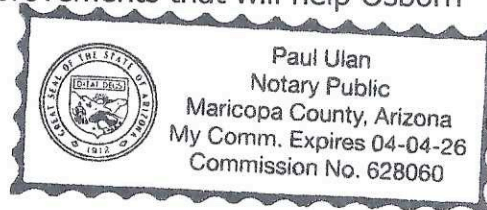

As your State Legislators, we understand the importance of supporting our local schools. Now more than ever, our students and schools need your support. Educating children is one of the most important jobs, and our local schools depend on us to help them impact and shape the lives of our future workforce.

Osborn Students deserve to be educated in well-maintained classrooms and with technology that enhances student learning. We can help the students of Osborn Elementary School District achieve this by supporting their bond election. By authorizing the bond, the district will have funding for repairs and renovations, purchase technology, furniture and equipment and buy new more energy efficient buses.

Please vote YES for the Osborn Elementary School District bond and help provide the necessary technology and classroom improvements that will help Osborn students achieve academic success.
