The Osborn School District has a consistent track record for providing students with a high quality education and innovative opportunities. In my prior role as AZ Superintendent of Public Instruction, I saw how critical it is for districts to make investments in curriculum and upgraded technologies. Now, as a resident and parent in the Osborn School District, we can't wait for our daughter to start preschool in one of the best districts in the state. This is why I've stepped up to lead the campaign as the chair for the "Yes for Osborn" bond and override elections.

I wholeheartedly support Osborn's initiative to pass the district additional assistance (DAA) to provide essential funding for every student and teacher to be supported. These investments will ensure that our strong schools in Osborn are equipped to prepare our children for the careers of their dreams.

Let's support our community's future by voting YES for the Osborn override.
